4 Mr Venkataramana Iyer who was Sanitary Inspector in Kolar, was appointed as an Overseer in the Malnad Improvement Scheme in Shimoga. Mr Mathias now requests Government for an order directing that the usual increments of the overseer in his permanent appointment should be allowed to him.

5 The reasons assigned in support of his are:-

1, the difficulties experienced in filling up vacancies in the M. I. Scheme in the absence of such concessions, and

2, the difficult conditions under which such officials work in the Malnad.

6 Article 90 vide 1 of the Mysore Civil Regns is now considered a bar to such increments being granted. But there is a precedent for granting such concessions. The privilege was granted to officials employed in the Forest Dept.

7 Mr Mathias also prays for a general order with regard to all such officials employed under the M. I. Scheme.

8 The draft is submitted for approval or other orders.

Sir,

In forwarding herewith an application from Mr. P. Venka--tarama Iyer, Sanitary Inspector in the Kolar District, who has been employed as an Overseer on Rs 70/- under the Malnad Improve--ment Committee of this District praying for exemption from the operation of Article 90 M.S.R. (note 1) so that his service under the malnad improvement scheme may count for earning increment in his permanent appointment as Sanitary Inspector, I have the honor to state as follows:-

2. It has already been brought to the notice of Government that considerable difficulty has been and is being experienced in organising the staff sanctioned by Government for the Malnad Improvement operations and the difficulty will be even more keenly felt if officials on progressive pay in permanent employ--ment are to lose the increments in their permanent posts while they are working in connection with the malnad improvement opera--tions. It is certain that such officials would not be willing to forego, for the sake of a temporary increase of pay, their permanent pay, which affects their rank, promotion and pension.

3. The Overseer in question is one of those who were selected and brought here from outside the District and whose transfer

transfer was recently sanctioned by Government in their order No. 3312-4/Sany 69-14-2 dated 26th October 1914. In recommend--ing his case for the favorable consideration of Government, I would urge the desirability of extending the exemption prayed for, to all similar cases and further directing all heads of Offices not to overlook the claims of such of their subordinates as may have been spared for employment under the scheme, in the Departments to which they belong. Such a privilege was conceded to those who had been entertained in connection with the decennial census of 1911 and is all the more necessary in the case of officials employed under the Malnad Improvement Scheme who have to serve in a rigorous climate, and under pe--culiarly difficult conditions.

4. It may also be mentioned here that the experience gained by such officials while working in the malnad would not be without permanent value to them when they revert to their substantive appointments.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner and Chairman,
Malnad Improvement Committee,
